

Blessing the Energy Centers

Saturday, November 13, 2021

3:00 to 5:00 pm

In-Person with Chris Carpentier

Self-Investment \$49.00

The ancient practice of clearing and balancing the chakras has proven successful in helping humanity awaken to their full potential.

When energy centers are blocked or imbalanced, the flow of energy stops, affecting your physical, spiritual, psychological, and emotional state. When energy flows through clear and unobstructed paths you experience vitality, high energy levels, and a healthy appetite for life.

Come experience a deepening process of releasing all blocks and balancing your energy centers with a special blessing of your energy centers from Chris. This amazing event will give you clarity to all possibilities and allow your “True Self” to emerge. Receive added benefits by setting powerful intentions around your career, relationships, life purpose or whatever you desire. Become awakened to your destiny.

Register and Pay to Save Your Seat as Space is Limited to 10.

This event will fill up fast.
