Come learn and experience:

- Meditations and methods used to balance past-life energy
- Liberation from your past
- Reawaken to your gifts in this lifetime

Balancing past-life energy is particularly effective and beneficial in healing unexplained aches, chronic pains, fears, behavioral patterns, karmic energy, and trauma. It can also reveal, or reawaken, hidden spiritual gifts of knowledge, insights, and wisdom.

Thousands of people have found that healing the past has proven to be one of the most powerful and effective techniques for removing blockages in relationships, careers, family, health, prosperity, and overall wellness. Healing the past can be a gateway to positive change.
